Walnut Street Theatre celebrates over 30 years of bringing high quality professional theatre to groups across the Delaware Valley. Our Touring Outreach Company introduces students of all backgrounds to the art of theatre through age appropriate, curriculum-based pieces – all of which are socially relevant and entertaining! Each season we offer new production and travel to schools across Pennsylvania, New Jersey, and Delaware. These low-cost programs help teachers link the arts to their curriculum, making theatre, available, accessible, and engaging.
