E-MAIL TICKETS VIA TICKET FORWARDING

Now you can forward your tickets to virtually anyone up to two hours before the performance. This service allows you to e-mail your tickets to friends, family or clients when you can't attend. Simply log on to your personal account and click Manage Your Tickets. Select the ticket or group of tickets you'd like to send and click Forward. Select E-mail Delivery and enter the recipient's information, then click Continue. Verify the information on the next screen, and then click E-mail Tickets. It's so easy – and you don't even need to have the tickets in hand. Avoid the hassles of trying to meet up with your friends and the expense of overnight delivery. Start enjoying the benefits of this new service today.

• How ticket forwarding works

Each of your season tickets carries a unique barcode, ensuring that they are authentic. During the forwarding process, the barcode on your original subscription ticket is cancelled and a new one is issued electronically. The recipient is e-mailed a new ticket with a unique barcode via TicketFast that can be printed using any standard printer.

• What is the fee?

Ticket forwarding is an inexpensive alternative to other overnight delivery and courier services. Now for a nominal fee of only \$2.00 per ticket, you can enjoy the convenience of this new innovative technology that provides a secure alternative method to ensure your tickets get used.

DONATE YOUR TICKETS

Actors hate empty seats. So do we! If you find you can't use your seats, go online and donate them back to the theatre. Simply log on to your personal account and click Manage Your Tickets. Select the ticket or group of tickets you'd like to donate and click Forward. Select Donate Tickets to Charity and click Continue. Verify the information on the next screen and select Donate Tickets. You can donate all your seats for a performance or just donate back one or two tickets. You choose. Once donated, the barcode on your original season ticket will be cancelled and your old ticket can not be used. You'll receive an e-mail confirmation for your records. You get a tax credit for the price you paid for the ticket and our actors get a full house.

RENEW YOUR SAME SEATS ONLINE

You will be able to renew your subscription online (same series, same seats only) in January. Simply log on to your personal account by going to WalnutStreetTheatre.org and click on Pay Now. Here you can view your renewal statements and make payments. Take advantage of this new option and avoid making payments in-person, over the phone or by mail.

Exchange Upgrade Fees:

- You can exchange from a less expensive series into a more expensive series, subject to availability. The upgrade fee will be the difference in the price you paid for your subscription ticket and the cost of the new series/seats you'd like.
- There is no refund when exchanging into a lower-priced performance, series, or seating section.
- All exchange fees will be charged when you make your exchange.

Please note: The actual discounted price you paid per show is printed on your ticket. If you exchange tickets into a different performance that is higher priced, your exchange upgrade fee will be only the difference in the price. Review the dates on the schedule in this handbook. The last two columns will show your discount subscription price. Senior/Youth Discount and College Discount are not valid for any Friday or Saturday Evenings or Sunday Matinees.

Once you have exchanged your original tickets, they are immediately resold to someone else. The barcode on your original ticket becomes invalid and you will be issued new tickets with a valid barcode. Please do not arrive at the theatre on your original performance date after doing a ticket exchange; your original seats will not be available. LATE SEATING

The theatre is open 60 minutes prior to each Mainstage performance. Please allow ample time for driving, dining and parking when attending your performance. **Latecomers will be seated at the discretion of the management** in order to prevent a disruption of the performance already in progress. In most cases, if you are late you will be asked to sit in the first available seat until intermission. After intermission, latecomers can claim their original seats. Please arrive on time.

INFRARED HEARING SYSTEM

NEW! Closed Captioned Series. If you occasionally have trouble hearing, we now have closed captioned performances on Sunday Evenings, Week D. Exchange your tickets (or subscribe) to these performances and you can read along during the performance. To find out more about our ASL or Audio Described performances for the visually impaired, visit our website or call 215-574-3550, ext. 562.

SUBSCRIPTION RENEWAL

Mainstage subscription renewals are mailed in early January. Subscribers who renew into their same seats are seated first. **The best way to improve your chances of a seating upgrade is to renew early and be flexible with your seating location and dates.** Renewing subscribers receive priority on seating upgrades, based on when we receive their renewal payment. Over 80% of our audience renews their subscription each year. New subscribers are seated after we seat our current subscribers.
