Play a leading role ...

For over two centuries, Walnut Street Theatre has enriched audiences with world-class live entertainment. Shows began in an equestrian circus ring in 1809, and continue to entertain all ages today with Mainstage, Studio and Kids Series productions. As the oldest continuously operating theatre in America, the Walnut is a National Historic Landmark that stands as a cultural beacon to those who love history, culture, and the performing arts.

To keep the future bright, the Walnut reaches out to the community with arts education programs. While school budgets leave culture behind, America's Oldest Theatre comes down from the stage to interact with over 111,000 families, students, and educators each year.

Your tax-deductible contribution helps maintain high standards for shows, and provides meaningful programs for new generations yet to experience live arts.

Thank you for your support!

... impact the future of live arts!
