Dear Theatregoer,

Welcome back to another exciting season at the Walnut! As we enter our 214th season (and my 40th), I want to thank you for your continued support to which we owe our remarkable success.

I am delighted that you’ve joined us for our 2022-23 season premiere, Rocky, the Musical. We’ve been excited for some time to have this truly Philadelphian story on our stage, and I could not be more thankful for the talented artists bringing it to life. I hope that you will join us for our other shows that we’ll bring to life this season, each of which will celebrate love in its own unique way.

Next on our stage, make your holidays truly enchanting with Rodgers and Hammerstein’s Cinderella, a magical love story for the ages. We’ll kick off the new year with a classic Neil Simon comedy, Last of the Red Hot Lovers, where the pursuit of love leads to a laugh-out-loud romantic confusion. Then, the veneer of love and southern gentility slips away to reveal long-hidden truths in Tennessee Williams’ Cat on a Hot Tin Roof. Lastly, we’ll end our season with Jimmy Buffett’s Escape to Margaritaville, where love and laughter are the keys to ‘growing older but not up’ in a heartwarming tropical getaway.

In addition to our exciting Mainstage Season, we are thrilled that classes at The Theatre School at Walnut Street Theatre are underway for our fall semester, serving students of all ages. If you or someone you know has a passion for performance, I encourage you to review our offerings for this and upcoming semesters.

Our Adopt-a-School and Touring Outreach programs continue to serve students and faculty in schools throughout the region. Last season, over 176 schools across 21 districts received access to our virtual production of The P-Funk Posse. This season, we are excited to return to live in-school performances to continue serving communities in the area. None of this would be possible without your support.

For tonight, sit back and enjoy the heart-stopping excitement of Rocky, the Musical. We are honored to have you back at the theatre and look forward to seeing you again soon!

Sincerely,

Bernard Havard, President and Producing Artistic Director

Last fall, Liz was in Saudi Arabia managing a truly magical show with five international illusionists. She’s worked with many academic programs including NYU Tisch, The Juilliard School, NYU Steinhardt, Atlantic, and ART/Harvard. Amid all of the chaos remember to have fun!

SIOBHÁN RUANE (Director of Production) This is Siobhán’s tenth season at the Walnut. With over 20 years in the business, Siobhán has worked internationally as a Production Manager and Stage Manager. Previously, Siobhán held the faculty position of Stage Management Advisor at Florida State University’s School of Theatre. BRIAN KURTAS (Associate Artistic Director) has been associated with the Walnut Street Theatre since 2007. He began his career here as a performer and in the professional apprenticeship program, and has since dedicated himself to bringing artists together. He now serves our artists and audiences in the various capacities of casting, directing, programming, and literary management, as his function is to identify the highest quality of artists for our historic theatre. His vision behind unforgettable live experiences and storytelling has become a creative solution from the stage to the screen - He spent 4 seasons as the Executive Producer of Gretna Theatre, has worked on television networks and films including TLC and HGTV, and helped create events and entertainment for brands such as T-Mobile and Walmart while at Live Nation. Originally from Lancaster, Brian is a proud Temple alum and a member of the Casting Society of America.

His extensive career has spanned Summer Stock to Broadway as an actor, stage manager, box office treasurer, theatre manager, marketing and public relations director and general manager. After several years working with commercial theatre, he has devoted his career to non-profit theatre companies since 1987. To date, Mark has been associated with more than 500 stage productions. An avid collector of musical theatre recordings, his collection contains over 3,500 cast albums from around the world. Widely regarded as a theatrical marketing expert, Mark lectures and consults with organizations internationally. He has served on several boards including seven years with the National Alliance for Musical Theatre where he now holds the honorary position of Board Emeritus and the Advisory Committee of Samuel French, the international play publisher and licensing company. With Bernard Havard he co-authored the book Walnut Street Theatre. Since he joined the Walnut in 1994, it became the most subscribed theatre company in the world.

BERNARD HAVARD (President and Executive Producing/Artistic Director) Vox Populi (The Voice of the People) was written on the Walnut Playbills in the 1800s. Whenever the Walnut has strayed from a populist program, the theatre has gone bankrupt. When I came here 40 years ago, we had no programs and no audience. Today we enjoy the largest subscription of any theatre in the world. So, my thanks to our loyal audience and a warm welcome to newcomers who enjoy and believe in what we do. I have tremendous admiration for the artists who have dedicated their lives to the theatre and the Walnut, in particular. Our theatre is a non-profit 501-C3 institution, and we rely on contributed income to extend our reach into the community. Last season we reached more than 150,000 students in our city schools. We have 20 trustees who give their time, wisdom, and contributions to help guide this historical treasure. I came to the Walnut in 1982, and I am as excited now about our future as I was in the beginning. My heartfelt thanks to all who enter this theatre. Equity seeks to advance, promote and foster the art of live theatre as an essential component of our society. Equity negotiates wages and working conditions, providing a wide range of benefits for its members, including health and pension plans. AEA is a member of the AFL-CIO, and is affiliated with FIA, an international organization of performing unions. The Equity emblem is our mark of excellence. actorsequity.org

6abc is Philly Proud and honored to support the work and mission of Walnut Street Theatre, the oldest theatre in America! What is Philly Proud? All across the Delaware and Lehigh Valleys, people of all ages are doing wonderful things to improve their communities, and to make life better for their neighbors and friends. Whether you’re in Center City, the Jersey Shore, Wilmington, or the Poconos, 6abc Action News is committed to showcasing all these good works and wants you to be proud. Be Philly Proud!

Metro, Philadelphia’s #1 newspaper, is proud to partner with Walnut Street Theatre, now in its 214th season, in supporting Philadelphia’s artists and promoting art education in the local communities. Pick up Metro every Thursday for our Going Out section or read it online at metro.us.

The mission of the Walnut Street Theatre Company is to sustain the tradition of professional theatre and contribute to its future viability and vitality. It does so through the production and presentation of professional theatre; the encouragement, training and development of artists; the development of diverse audiences; and the preservation and chronicling of its theatre building, a National Historic Landmark.

Walnut Street Theatre is a member of the Greater Philadelphia Cultural Alliance, Citizens for the Arts in Pennsylvania, and the league of Historic American Theatres.

Walnut Street Theatre receives state arts funding support through a grant from the Pennsylvania Council on the Arts, a state agency funded by the Commonwealth of Pennsylvania.

Accessibility Equipment, Training and Marketing provided by Independence Starts Here, the statewide cultural accessibility program of VSA PA/Amaryllis Theatre Co., jointly led in different regions in PA by cultural partners in that region. In Greater Philadelphia, Independence Starts Here is jointly led by Art-Reach, Inc.

Walnut Street Theatre receives additional season operating support from Actors Equity Foundation, Independence Foundation, and Theatre Forward.
